4. James Leuzinger: Discussion and possible action regarding driveway and building site on parcel 0507-084-8175-0 (formerly owned by Campbell).
Reports from individual site visits on property.
Mr. Leuzinger stated that the driveway would be roughly horseshoe shaped, curving to the left, and will end on the north side of the house. The driveway will come out onto G at a right angle. The County has approved the location.
Jerry reported that he looked at the site. There is no more than 9% slope at the beginning and continue approximately 30 feet through the wooded area into the parcel to the open spot. He felt that it looked like a well-designed plan and that both the grades and the orientation were good.
Martha reminded Mr. Leuzinger to review the driveway ordinance and be sure that the driveway is constructed to meet its requirements.
Martha moved to approve the location of the driveway and house site. Jerry seconded. Motion passed 5-0.
